

- All aluminum construction with magnetic latch handle door
- Extruded interlocking aluminum side panels extend 9/16" and will support full (18" x 26") and half size (18" x 13") sheet pans (lip hung)
- Includes H-HEAT UNIT-EXT-6 and pan stop to provide uniform heat distribution throughout
- Full height accommodates up to 68 half size (34 full size) sheet pans on 1-1/2" center spacing
- Ambient air temperature may affect heating performance
- Small Plate Series Casters - 5" HT swivel, 2 w/brakes

**Interlocking
Extruded
Side Panels**

Bottom mount removable heat unit for easy maintenance and repair includes external cabinet controls

Digital thermometer
in face of heat unit
Temp adjustable to
approximately 160°F
in Hold for non-
insulated cabinets

Hold provides
dry heat only
while Proof
provides lower
temps with
humidity

Separate
temperature
and humidity
controls

- 120 volt, 1500 watts, 60 cycle, single phase
- 8-foot power cord
- 3 prong plug
- Dedicated 15 amp circuit required

MODEL #	DOOR TYPE	CENTER SPACING	OUTSIDE DIMENSIONS H x W x D (INCHES)	SHEET PAN CAPACITY	WEIGHT (LBS.)
